Dear Professors Hibbitts and Mazzone,

Kindly confirm that you have forwarded CJA's May 4th memo to Professors Gulati and Taha, as requested by the postscript to my May 4th e-mail message.

As my e-mail transmittal to Professor Nancy Scherer was returned as undeliverable, I would also appreciate if you would forward the May 4th memo to her -- and confirm same.

For your convenience, another copy of CJA's May 4th memo is enclosed -- correcting a typo in Professor Hibbitts name on the second page.

Thank you.

Elena Sassower
