Dear Elena:

Friday night is looking good. There's a session at the UN that goes from 4 to 7 p.m., but after that I don't have anything scheduled. I'll be at the Waldorf-Astoria [or coming back from the UN], and we could make arrangements for dinner or whatever, unless that's too late. Saturday after 4 p.m. is less good for me, but possible in the event that Friday night doesn't work. You could leave a message for me at the Waldorf, or, if you get this message soon enough, I will be checking my messages here tomorrow morning just prior to class and rushing to the airport. Thanks for the invitation.
