Re: Request for your disclosure of  
your written response to  
CJA's 6/30/00 letter

Date: July 11, 2000

Transmitted herewith is a copy of  
CJA's 7/10/00 letter to Paul Curran,  
Chairman of the Mayor's Advisory  
Committee on the Judiciary, requesting  
information as to the  
Committee's post-hearing procedures

Among the questions raised is one  
that I asked at the hearing,  
to wit - whether the Committee  
will provide CJA with a copy of  
your written response to its 6/30/00  
letter.

However, irrespective of the Committee's

answer to that question, you are free to independently make your written response available to CNA.

Certainly you should have no objection to doing so, if you believe that you have satisfactorily addressed the serious issues raised by the 6/30/00 letter.

Please consider this a request to provide CNA with <sup>afforementioned</sup> a copy of your written response.

P.S. - Enclosed are further documents supplementing the record:

- ① my 7/6/00 letter to Michael Godwin  
OCA, counsel
- ② a 6/27/00 letter from Thomas Thorson  
President of the Children's  
Rights Council
