RE: MAC2-2013-L-0065

Dear Mr. Sharp:

Thank you for contacting the Commission to Investigate Public Corruption. We have received your correspondence and consider all communications that are submitted to the Commission.

Upon review of your complaint, we have found that your matter falls outside of our mandate.

Under the Moreland Act and Executive Law Section 63(8), the scope of the Commission's work has been focused on: campaign finance, disclosure of third party contributions, compliance with NYS lobbying laws and matters dealing with the structure and enforcement of the NYS Board of Elections.

If you have information concerning any of the aforementioned topics, please provide our office with those details. We will review your complaint and recommend the appropriate course of action to address your concerns.

Thank you again for your correspondence.

Sincerely,

A handwritten signature in cursive script, appearing to read "Regina M. Calcaterra".
