Dear Mr. David,

We have much information to share with you on the topic of your above two articles.

Why not follow-up & further explore the answers to the questions presented by their titles by examining a fully-documented corruption complaint that U.S. Attorney Bharara has been sitting on since it was hand-delivered to him on April 15, 2013 – a complaint which New York's other investigative and prosecutorial authorities have been sitting on, as well.

Here's the direct link to the April 15, 2013 corruption complaint & our other complaints and correspondence based thereon – including to the so-called Moreland Commission to Investigate Public Corruption, posted on our website: <http://www.judgewatch.org/web-pages/judicial-compensation/grand-larceny-of-public-fisc.htm> .

I would be pleased to speak with you directly and to answer your questions.

Thank you.
