Subject: Your message to the Conservative Party at its Annual Political Action Conference: Defeating Governor Cuomo is EASY based on his documented "grand larceny of the public fisc" & other corrupt acts
Attachments: 1-21-14-email-to-nysrepublican-party.pdf

Dear Mr. Astorino and Mr. Paladino,

As you are each scheduled to speak at the upcoming New York State Conservative Party's Annual Political Action Conference as potential Republican/Conservative candidates against Governor Cuomo, you should know that an important segment of your audience – [the Conservative Party's Executive Committee and County Chairs](#) – [already have the good news: defeating Cuomo is easy](#). It can be done by simply taking over the "public integrity", "good government" mantle that Governor Cuomo and "liberal/progressives" have been hypocritically sporting – while, simultaneously, doing what Conservatives and Republicans do best, championing "sound fiscal policies designed to save taxpayer money".

Below is the e-mail I sent yesterday to the Conservative Party Executive Committee and County Chairs, entitled "Agenda Proposal for Jan 26-27 Annual Political Action Conference: Using the Evidence of Cuomo's Corruption to Defeat Him -- & Other Corrupt Incumbents". It concludes with the words: "New York's Conservative Party can have a powerful resurgence. All that is necessary is that it take over the game that has been played by 'liberals', 'progressives' – and Governor Cuomo – as champions of clean, honest government". A copy of that e-mail was simultaneously sent to "budget expert, E.J. McMahon", also a featured speaker at the Political Action Conference, so that he can give his expert opinion of our December 11th and December 30th letters to Governor Cuomo, particularizing the unconstitutionality and fraudulence of the slush-fund Judiciary and Legislative budgets that he has now passed on to the Legislature, 70-plus of whose members carry "Conservative Party designation" and whose duty it is to "blow the whistle" and reject the Governor's Judiciary-Legislative budget bill #S.6351/A.8551 before them. Our webpage for those letters and the Governor's budget bill is here: <http://www.judgewidth.org/web-pages/searching-nys/budget-2014-2015/menu-budget-reform.htm>.

May I also suggest that you each review the attached January 21st e-mail to the New York State Republican Party. It enclosed my January 11th e-mail to Donald Trump's operatives, alerting them that it doesn't take an opposition candidate to defeat Governor Cuomo – or Attorney General Schneiderman, Comptroller DiNapoli, or other corrupt incumbents. All it requires is investigation of [fully-documented](#) corruption complaints against these public officers for "grand larceny of the public fisc", which the Governor's Commission to Investigate Public Corruption – and other state and federal investigative authorities – have been sitting on. Here's the direct link to the first of those complaints: our April 15, 2013 corruption complaint to US Attorney Preet Bharara, described and hyperlinked by our January 11th e-mail: <http://www.judgewidth.org/web-pages/judicial-compensation/corruption-complaint-to-us-attorney-bharara2.htm>. Likewise, here's the furnished hyperlink to our described September 17, 2013 oral and written testimony to the Commission to Investigate Public Corruption: <http://www.judgewidth.org/web-pages/searching-nys/commission-to-investigate-public-corruption/people-evidence/sassower-elena.htm>.

As [it only takes a scandal to change the political landscape, overnight](#), this e-mail will be publicly circulated so that all political parties, operatives, activists, and ordinary citizens can verify for themselves that the "grand larceny" of hundreds of millions of taxpayer dollars by the budgets for last fiscal year, this fiscal year, and the upcoming fiscal year is just such a scandal.

Feel free to call with any questions. I am always available to true patriots for whom the Constitution, rule of law, and public service are not just rhetorically devices.

Thank you.

**Agenda Proposal for Jan. 26-27 Annual Political Action Conference:
Using the Evidence of Cuomo's Corruption to Defeat Him -- & Other Corrupt Incumbents**

**TO: New York Conservative Party Chairman Michael Long
New York County Conservative Party Executive Committee
New York Conservative Party County Chairs**

As the New York State Conservative Party's "annual political action conference" is just three days away – announced by a January 6th press release entitled "Conservatives Say: Be Prepared" – you should be prepared with the below e-mail entitled "Changing the Face of the 2014 Elections: Governor Cuomo's Larceny of Taxpayer Monies by his...Budget". It was sent yesterday to the press – and then furnished to New York State Republican Party Chairman Ed Cox, to Carl Paladino, and to Donald Trump operatives in correspondence posted on a webpage of our website entitled "Defeating Corrupt Incumbents in the 2014 Elections". Here's the direct link: <http://www.judgewatch.org/web-pages/elections/2014-elections.htm>

May I respectfully suggest that each of you read the referred-to December 11th and December 30th letters to Governor Cuomo, so that you can be convinced of the powerful opportunity the New York State Conservative Party has to lead the charge in defeating Governor Cuomo based on his brazen corruption by the budget he released on Tuesday – for which, combined with what he did in connection with the budgets for the current fiscal year and last, he must be indicted for "grand larceny of the public fisc".

May I further suggest that since "budget expert, E.J. McMahon" is one of your scheduled speakers at the "annual political action conference" – indeed is the first speaker listed by your press release – that he be expressly requested to furnish his expert opinion as to the December 11th and December 30th letters and the evidentiary proof on which they rest, beginning with Article VII, Secs. 1 & 7 of the New York State Constitution. This Mr. McMahon can easily do, as he has long been knowledgeable of all the underlying evidence and law. Aside from the innumerable particularized phone messages I left for him spanning the past year and a half, all unreturned, my correspondence with him pertaining to the Judiciary and Legislative budgets for this fiscal year is posted here: <http://www.judgewatch.org/web-pages/searching-nys/budget-2014-2015/outreach.htm>. No responses from him are posted, as I received none.

To facilitate Mr. McMahon's belated response, he is being cc'd on this e-mail. Certainly, too, with Governor Cuomo having now passed the Judiciary and Legislative budgets to the Legislature, Mr. McMahon should be furnishing expert opinion to the "31 State Senators and 45 Assembly Members" who, according to your website, have "Conservative Party designation". Does Mr. McMahon think these 76 legislators, all up for re-election this year, should be covering up for Governor Cuomo's corruption with respect to the Judiciary and Legislative budgets and in presenting the Legislature with budget bill #S.6351/A.8551? What is the total dollar amount allocated by that bill for the Judiciary? For the Legislature? And where are the Legislature's "General State Charges"? The Governor's budget presentation & bill #S.6351/A.8551 are posted here: <http://www.judgewatch.org/web-pages/searching-nys/budget-2014-2015/Jan-21-gov-budget.htm>.

I look forward to hearing from you soon and invite you to call me with any questions. Certainly, too, I would be happy to attend your "annual political action conference" and make a personal presentation about the "open-and-shut" documentary evidence of Governor Cuomo's flagrant corruption – and not only with respect to the budget, but as to his "liberal/progressive" agenda of public campaign financing, which he has been shamelessly advancing through his corrupt

Commission to Investigate Public Corruption, aided and abetted by an equally corrupt press. The evidence on this important subject can be accessed here: <http://www.judgewatch.org/web-pages/searching-nys/commission-to-investigate-public-corruption/people-evidence/menu-commission-on-public-corruption.htm>.

New York's Conservative Party can have a powerful resurgence. All that is necessary is that it take over the game that has been played by "liberals", "progressives" – and Governor Cuomo – as champions of clean, honest government.

Thank you.

Changing the Face of the 2014 Elections: Governor Cuomo's Larceny of Taxpayer Monies by his Yesterday's Budget

Governor Cuomo's budget for fiscal year 2014-2015, released yesterday, is a criminal act. It authorizes the theft of huge sums of taxpayer money for Judiciary and Legislative appropriations that the Governor knows to be fraudulent and unconstitutional.

Indeed, the Governor's knowledge is not in doubt. Our nonpartisan, nonprofit citizens' organization, Center for Judicial Accountability, Inc. (CJA), sent two letters to the Governor, dated December 11, 2013 and December 30, 2013, particularizing the fraudulence and unconstitutionality of the Judiciary and Legislative budget requests – and calling upon him to protect the public purse. We also furnished copies to his budget director, Robert Megna.

The December 11, 2013 letter was entitled:

"SAFEGUARDING THE PUBLIC PURSE FROM JUDICIAL FRAUD & LARCENY: Your Constitutional & Statutory Duty to Reject the Entirety of the Judiciary's Proposed Budget for Fiscal Year 2014-2015, Over & Beyond its Concealed, Unitemized Third Phase of the Judicial Salary Increase that Will Otherwise Take Effect, Automatically, on April 1, 2014"

The December 30, 2013 letter was entitled:

"SAFEGUARDING THE PUBLIC PURSE FROM LEGISLATIVE FRAUD & LARCENY: Your Duty to Exclude the Legislature's Proposed Budget from the State Budget for Fiscal Year 2014-2015 Because its Absence of Certified Itemized Estimates Violates Article VII, §1 of the NYS Constitution; Alternatively, to Recommend that the Legislature Reject it, or Alter it Based on Certification of Itemized Estimates",

Both letters are posted on our website, www.judgewatch.org, via the hyperlink "CJA Leads the Way to NYS Budget Reform...". Each letter is posted with full evidentiary substantiation on its own webpage. The menu containing those two webpages is here: <http://www.judgewatch.org/web-pages/searching-nys/budget-2014-2015/menu-budget-reform.htm> .

The December 11th and December 30th letters, ignored by Governor Cuomo, should rightfully END his re-election prospects. The consequences to the 200-plus incumbent legislators seeking re-election should be equally dire, should they cover up for the Governor and, likewise, ignore the letters. Do you disagree?

By the way, since the Governor's combined budget bill for the Legislature and Judiciary contains NO dollar totals for its appropriations/reappropriations for each branch, why don't you ask the Governor and all the legislators to tell you what those dollar totals are and to explain the allocations to you, if they can. It's a "slush fund". For your convenience, here's the Governor's combined budget bill for the Legislature and Judiciary, S.6351/A.8551, as posted, with the rest of the Governor's budget, on its own webpage of our website: <http://www.judgewatch.org/web-pages/searching-nys/budget-2014-2015/Jan-21-gov-budget.htm>

As always, I offer you full assistance, am available to be interviewed, and to answer your questions.

Thank you.
