To the Members of the JCOPE/LEC Review Commission,

I have received no acknowledgment or response to my below September 28th e-mail. Did you send any? Please advise -- and confirm that I am scheduled to testify at the Commission's October 14th public hearing in Manhattan -- which is now the Commission's only public hearing .

Please also confirm that the October 14th hearing will be filmed -- and that the video will be live streamed and/or promptly posted thereafter on the Commission's website.

As I do not have e-mail addresses for Commission Members Seymour James, Tony Jordan, Elizabeth Moore, and Dale Volker, I again request -- as I did by my below June 18th e-mail -- that this e-mail be forwarded to them.

Thank you.

To the Members of the JCOPE/LEC Review Commission,

Following up my e-mailed June 18, 2015 and June 22, 2015 letters to you --both bearing the title "Ensuring Honest Review by the JCOPE/LEC Review Commission" -- to which I received no response other than an automated

e-mail acknowledgment from Professor LaPiana and the below e-mail from Dean Salkin -- this is to request to testify at your October 14, 2015 public hearing in Manhattan.

So that my testimony may be properly informed, please confirm that you did not substantively respond to the June 18th or June 22nd letter -- and state the reason. For your convenience, both letters are posted on CJA's webpage "Going Where the Commission to Investigate Public Corruption Did NOT...JCOPE". Here's the direct link:
