Attached is my already faxed memo to you of today's date for amicus curiae support at the U.S. Supreme Court. For your convenience, I have annexed to it Point III of my appellant's brief as to the unconstitutionality of the

6/22/2007

'disruption of Congress" statute, *as written and as applied*. Separately attached herewith is my draft cert petition.

All are posted on CJA's website, [www.judgewatch.org](http://www.judgewatch.org) – most conveniently accessible *via* the top panel "Latest News"

I look forward to your responses – hopefully in the affirmative.

Thank you.
