Dear Tony:

I too have been swamped and apologize for not responding sooner to your January 23rd fax. However, I am pleased to report that, huffing and puffing all the way, my mother's cert. petition was filed with the Supreme Court. Since what is there at issue is your "specialty" topic, i.e., dishonest and fraudulent decision-writing, unsupported by fact and law, I am mailing you a copy of the petition.

Anything you can do to rally amicus support would be greatly appreciated. We also have a federal §1983 civil rights action against the justices of the Appellate Division, Second Department based on the fraudulent and retaliatory conduct that the cert petition outlines. If you know any gutsy lawyers ready to take on the judicial establishment in the "Excelsior State", please let us know. Even "behind the scenes" assistance would be appreciated. Unfortunately, New York lawyers and bar associations are completely wimpy when it comes to defending the rule of law and constitutional rights against the tyrannical abuses of judges.

I have spoken to Bill O'Brien about all of us getting together when you are in town and advancing the cause of judicial accountability. What's your schedule? Is there a night when you would be available for dinner?

Regards.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
