Dear Tim,

Thank you for your prompt response. In deference to you for the serious journalism reflected by your investigative piece "*An Inside Look at How the Skelos Trial Exposed the Slimy Side on NY Politics*" and its concluding question "Who's next?" <https://www.longislandpress.com/2016/02/10/how-the-skelos-trial-exposed-the-slimy-side-of-ny-politics/> – so pertinent to the explosive election/corruption stories for which I am offering you the LEAD -- I will hold off contacting other Long Island journalists/publications about the Long Island dimensions. I ask that you get back to me by Wednesday night, at the latest – even if it is only for a quick call. Until then, I will limit my contacts with other journalists and publication outside Long Island to aspects relating to what is now unfolding in the Rensselaer County Executive race and Westchester County Executive race, as to which CJA's webpages are here: <http://www.judgewatch.org/web-pages/elections/2017/rensselaer/ending-road-mclaughlin.htm> and here: <http://www.judgewatch.org/web-pages/elections/ending-the-road-latimer.htm>.

Here's the direct link to CJA's webpage on the Suffolk County District Attorney race: <http://www.judgewatch.org/web-pages/elections/2017/long-island/suffolk-da.htm>, furnishing the substantiating EVIDENCE for my September 5, 2017 letter to D.A. Candidates Sini & Perini, which I have attached, for your convenience. It is the starting place for your understanding this HUGE political story, bringing down ALL legislative incumbents, starting with Temporary Senate President John Flanagan, for their corruption involving judicial pay raises, district attorney pay raises, and the WHOLE of New York State's \$160 billion budget – in addition to bringing down Governor Cuomo, Attorney General Schneiderman, and Comptroller DiNapoli – all defendants in CJA's unfolding citizen-taxpayer action, suing them for corruption – and exposing the fraud of former U.S. Attorney Bharara and the Commission to Investigate Public Corruption, each covering up for the other.

The direct link to CJA's webpage on the Suffolk County Sheriff race and Candidates Boyle & Zacaese is here: <http://www.judgewatch.org/web-pages/elections/2017/long-island/boyle.htm>.

The direct link to CJA's webpage on the Nassau County race for Oyster Bay Town Supervisor, involving incumbent Saladino, is here: <http://www.judgewatch.org/web-pages/elections/2017/long-island/ending-the-road-saladino.htm>.

You can call me, after hours, no matter how late or early -- whenever is most convenient for you.

Thank you.
