Yes..to the best of my knowledge the Assembly has not had any hearings on judicial compensation.

Dear Ms. Marilla,

I have received Ms. Bender's July 20, 2011 letter responding to CJA's July 13, 2011 FOIL request.

Are we correct in inferring that neither the Assembly Judiciary Committee nor any other Assembly Committee held public hearings pertaining to judicial compensation over the past 15 years?

Kindly confirm.

Thank you.
