-against-

FEB 2010

NO. 2008-1427 W C
2009-0148 W C

DORIS L. SASSOWER,

Tenant,

-and-

ELENA SASSOWER,

Appellant.
-----X

DECISION

Motion by appellant seeking disqualification denied.

It is noted that a party is not entitled to disqualification of a judge based on the fact that the judge has ruled against her in prior stages of the litigation (see Petkovsek v Snyder, 251 AD2d 1086 [1998]; 1A Carmody-Wait 2d § 3:9).
