Re: *Center for Judicial Accountability, Inc. v. Cuomo*  
AD No. 521534

This office represents respondents in this appeal. Earlier today, this office served and filed my affirmation, with proof of service, in response to appellants' motion for an extension of time and other relief, returnable September 8, 2015. It has come to my attention that appellants' motion included a demand for service of responsive papers seven days before the return date, a demand that I inadvertently overlooked. I respectfully request that the Court consider my responsive papers given the lack of prejudice to appellants. If appellants desire additional time to serve reply papers, I have no objection to this request.

Respectfully yours,

VICTOR PALADINO  
Assistant Solicitor General
