RE: Securing Investigation & Prosecution of Public Corruption

Enclosed is the Center for Judicial Accountability's July 19, 2013 corruption complaint to Albany County District Attorney David Soares' Public Integrity Unit – to which you are indicated recipients. In addition to the facts of which you are already aware, it outlines new facts – beginning with Governor Cuomo's "Public Trust Act" (Program Bill #3) and his three other program bills underlying his appointment of the Moreland Commission to Investigate Public Corruption.

The complaint is posted on our website, www.judgewatch.org, with the referred-to evidence. The direct link to our webpage for the complaint is: <http://www.judgewatch.org/web-pages/judicial-compensation/albany-da.htm>. As with so much else, it can also be accessed via our "Latest News" top panel, which brings up a menu with a hyperlink entitled "Holding Government Accountable for its Grand Larceny of the Public Fisc and Other Corruption".

Thank you.
