Ms. Sassower,

I just received your voicemail. I have been in touch with counsel for petitioners/plaintiffs regarding scheduling a call. The best time for everyone would be at 10:00 a.m. tomorrow. Please let me know if that time will work for you as well.

I am also attaching a courtesy copy of a stipulation of discontinuance that was filed by the parties today.

Thank you,

Judith Vale

The judge has reviewed the papers and is prepared to do a telephone conference to address the TRO application. We request that Ms. Sassower contact Ms. Vale and arrange a time today or tomorrow to speak, any time except 1:00-2:30 is fine. The number is 646 386-3253.

Please e-mail to let me know when to expect the call. Also, we will defer to Ms. Vale as to whether plaintiffs' counsel should be included. If so, please make those arrangements.
