and non-salary benefits for District Attorney's and other
full time elected county officers;
FOIL No. 2016-146

Dear Ms. Sassower:

I am the Foil Officer for Rensselaer County and I acknowledge receipt
of your FOIL request.

Without, at this time, acknowledging the existence of any of the
requested records or admitting your right to examine or copy them, please
be advised that our office will promptly review your request and will make
the requested records available within twenty (20) business days, if such
records exist and are releasable in accordance with the law. If we are
unable to do so within twenty (20) business days from the date of this
acknowledgement, we will provide you with written notice stating the
reason and a date when the information will be available.

Please be advised that there is a usual fee of twenty-five cents
(\$0.25) per standard page copied, as provided for by law. A different
charge may apply in unusual circumstances. If the records you seek do
exist and are releasable, we will notify you of the total fee due when the
records are assembled plus the cost of postage. Upon receipt of the fee
and postage, the information to which you are entitled will be promptly
provided to you.

Very Truly Yours,

Peter R. Kehoe
