Dear Ms. Sassower:

In recent correspondence, dated October 7, 2016, you requested the following:

- (1) A copy of a chapter amendment referred to in a resolution adopted by the Lewis County Board of Legislators;
- (2) Records showing who “forwarded” it to the Governor, when it was forwarded, and such transmittal materials as accompanied it; and
- (3) Records pertaining to its introduction into the Senate and Assembly, if it was introduced.

Although you did not provide a bill number, I have made an effort to locate the legislation you have described. While I did not locate legislation to amend a chapter of the laws in relation to the 2016-2017 state budget, I have located a bill that was introduced in the Assembly on May 13, 2016 regarding this topic (A. 10152-A). I am attaching a copy of this bill, along with the bill memorandum, and related bill status information. As you can see, the bill did not pass both houses of the legislature. Therefore, it was not forwarded to the Governor.

I hope this information is helpful to you.

Sincerely,  
Robin L. Marilla
