Kindly be sure that Assemblyman Barclay receives my request for posting of the full Green Book, for his consideration.

Again, thank you.

As requested.

There is no reference to "district attorney salaries and reimbursement to the counties." in the green book.

**TO: Stephanie Herrick/Legislative Director – Assemblyman William Barclay, ESQ.**

Following up our phone conversation a short time ago, for which I thank you, this is to reiterate my request that Assembly Ways and Means Committee Ranking Member Barclay consider posting the minority's Green Book/analysis of the budget.

In any event, I thank you for agreeing to supply me -- as you had in past years, while working for Assemblyman Oaks -- with the pertinent pages of the Green Book pertaining to the Judiciary and Legislative budgets -- and to the "public protection" section, particularly with respect to district attorney salaries and reimbursement to the counties.
