Dear Ms. Sassower:

On May 21, 2021, we received your FOIL request regarding the New York State Law Revision Commission.

Please note that the function of this office is to respond to requests for records, not to conduct legislative research. In order to respond to the request regarding the funding of the Law Revision Commission, I will need bill numbers or other identifying information for the records that you are seeking. You can find bills dating back to 1999 on the Assembly's website at <https://nyassembly.gov/leg/>.

The Assembly does not have any copies of the Law Revision Commission in addition to the 1990 annual report previously offered to you. The Assembly does not have any further responsive documents for the balance of the requests made on this date.

If you have any questions or if I can be of any further assistance, please let me know.

Sincerely,
Robin L. Marilla
