**Subject:** Meeting with Senator Murphy

Hi Ms. Sassower,

Originally I had thought that we could jump onto the meeting that Assemblyman Buchwald's office set up for you on August 31, but unfortunately an obligation came up for the Senator that afternoon and we will not be able to make that meeting. I am working on coming up with a different date that you could meet Senator Murphy in our office and will let you know shortly!

Thanks for your patience!
