Re Docket Nos. 2005.2935
and 2005.2936

Dear Mr. Haig,

Re my May 29th letter to Mr. Friedberg, copy enclosed, the "review" of the Committee's decision offered to Mrs. Malarkey in these matters in its May 19th letter is no review at all. It is meaningless for the reasons stated in my letter.

Respectfully submitted,

Thomas F. Curnin
