This follows up my phone calls to your offices this morning pertaining to my above-attached October 25, 2023 complaint. As you know, to assist you in investigating the complaint, I created a [publicly-inaccessible webpage](#) for it, with links to publicly-inaccessible EVIDENTIARY WEBPAGES for:

- (1) [the underlying Family Court case & appeals](#);
- (2) [the underlying Supreme Court case & appeal](#);
- (3) [my March 13, 2023 OSC to intervene of right & for interim relief in the claims appeal that AD4 refused to sign or docket](#);
- (4) [my April 24, 2023 OSC to intervene of right & for reargument/vacatur for fraud, etc. that AD4 refused to sign or docket](#).

Although these webpages do NOT contain the names of the innocent parents, the linked documents on the webpages, because they contain the parents' names – and the name of their child – are appearing in internet searches, causing the parents and child further trauma and substantial injury. Only yesterday did I realize this. To rectify the situation, I will now remove all links on the four EVIDENTIARY WEBPAGES – and any links to the October 25, 2023 complaint.

If you would like me to e-mail you any of the linked documents that I am removing, please let me know and I will promptly do so.

Please note that the above-attached October 25, 2023 complaint corrects an obvious error I discovered on page 7, whose first three words now read "In April 2022", changed from the erroneous "In April 2021". Please supersede that page.

Thank you.

Subject: Corruption Complaint: Monroe County Family & Supreme Courts & Fourth Dept Appellate Division -- Follow-up to Testimony at Oct 13th Hearing of the Commission on Legislative, Judicial & Executive Compensation

Above-attached & here linked is my "Corruption Complaint against Judges, Government-Attorneys, & Government-Retained Attorneys Arising from a Fraudulent, Culturally-Biased Child Abuse/Neglect Petition against Innocent Parents". Its "Conclusion" (at p. 29) reads:

"The foregoing long-overdue complaint is being furnished, additionally, to the Commission on Legislative, Judicial and Executive Compensation, before which I testified on October 13, 2023, handing up a copy of the Independent Expert Report, in substantiation of my testimony as to the corruption infesting the judiciary – a threshold, 'appropriate factor' of constitutional dimension that it is statutorily-required to 'take into account'. My words were as follows ([VIDEO, at 2hrs/45mins](#)):

'Lastly, I don't want you to believe that the corruption infesting the judiciary is only in cases of magnitude such as the cases that I have here presented. I have a, a independent report that I wrote about a Family Court case out of Monroe County, a mother called me in distress because her child had been taken away from her. And she begged me to assist her. Without charge, I, I examined the record -- and I wrote a report that was furnished, it's a sealed file. I think you should take a look at what goes on, and you should know this is only the first piece of it. But the corruption involving this report at the Family Court level, at the Appellate Division Fourth Department from which you come, Chair Fahey, you need to take testimony. You have subpoena power. You need to – you need to examine the corruption in the judiciary –'

The only correction I would make is to add a reference to the corresponding corruption in the Monroe County Supreme Court pertaining to the Independent Expert Report.

As [the Commission on Legislative, Judicial and Executive Compensation's enabling statute requires you to assist the Commission, upon its request](#),^{fn3} perhaps that is the most expeditious way for it to proceed – requesting that you furnish it with the results of the investigation that is your duty to make with respect to this fully-documented, facially-meritorious complaint.”

I am available to assist you, to the max, in investigating this complaint – and would welcome giving testimony under oath. I know the innocent parents feel likewise.

Meantime, CJA's webpage for the complaint – which cannot otherwise be accessed, out of respect for the parents' privacy – can be reached by this link: <https://www.judgewatch.org/web-pages/searching-nys/cjc/complaint-oct-25-23.htm>.

Thank you.

NOTE to Cindy Martucci/Assistant to Chief Administrative Judge Zayas. Following up our phone conversation at 3:40 this afternoon, kindly forward this e-mail to Chief Administrative Judge Zayas and Statewide Coordinating Judge for Family Court Matters Rivera – and, additionally, to the Fourth Department's Attorney Grievance Committee for the Seventh Judicial District, which does not make an e-mail address for complaints and/or communications available. Thank you.
