RE: REBUTTAL
& CORRECTIONS

Dear Erin:

Just to let you know that I am ready, willing, and able to respond and provide rebuttal to any of the comment about my public interest lawsuit against the Commission that you are obtaining from those listed in my yesterday's letter to you.

Needless to say, everyone on that list, by their inaction if nor more, has contributed to the corruption my lawsuit documents.

Also, because I always try to be accurate, enclosed is a superseding first page of my letter to Professor Bonventre, correcting the date of my judicial misconduct complaint against Justice Rosenblatt and adding a record reference.

Also enclosed are superseding pages to my yesterday's letter to you. The ONLY substantive changes are:

page 7, to reflect that the Fund for Modern Court has a copy of the lower court file in *Doris L. Sassower v. Commission*; and

page 8, to reflect that the Government Law Center's return of the lower court file in my lawsuit against the Commission was without comment.

Additionally, please correct the date on the coverletter I faxed you earlier to reflect today's date, rather than yesterday's.

Thanks.

Yours for a quality judiciary,
