Attached is the Center for Judicial Accountability's August 17th letter to "Advocates of Judicial Pay Raises", enclosing our letter of that date to the Commission on Judicial Compensation to which the "Advocates of Judicial Pay Raises" are indicated recipients.

We request that you forward it – and this e-mail – to ALL the judges and former judges who testified at the Commission's July 20th hearing and/or submitted written statements to the Commission – indeed, to ALL New York State's 1,200-plus judges and such former state judges who have retired and/or resigned since 1999 so that they, like yourselves, may have the opportunity to defend the indefensible.

The attached August 17th letter, as likewise ALL the Center for Judicial Accountability's correspondence and substantiating documentary evidence pertaining to the judicial compensation issue, are posted on our website, www.judgewidth.org, most conveniently accessible via our top panel "Latest News" and side panel "Judicial Compensation: State-NY". For your convenience, here's the direct link to the "Latest News" webpage: <http://www.judgewidth.org/web-pages/cja/latest-news.htm> -- which is where this and similar e-mail to "Advocates of Judicial Pay Raises" will be posted for the public and then furnished to the Commission.

Thank you.
