Box 69, Gedney Station
White Plains, NY 10605-0069

Dear Ms. Sassower:

As you requested, I am returning the materials you sent to me. As you know, the National Commission on Judicial Discipline has long finished its work. Moreover, by the time I received your materials, my own book on judicial selection was finished. Nevertheless, I am grateful to you for sharing the materials with me, and I apologize for the lengthy delay in sending them back.

With best regards.

Sincerely,

SLC/mdm
