Dear Bar Leaders:

As may be seen from the enclosed, the American Bar Association's various committees on professional responsibility and ethics and its Center for Professional Responsibility have utterly failed to meet even minimal standards of professional responsibility and ethics, where we have presented them with issues of transcending importance to both the legal community and society at large.

Under the circumstances, your follow-up attention is called for and herein requested.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator  
Center for Judicial Accountability, Inc.
