Dear Ms. Sassower:

Congratulations! I was delighted to learn that my nomination of you for Fellowship in the American Bar Foundation was formally acted upon by the Board and that you are elected. I trust that you have, or shortly will, accept election, knowing that Fellows consist of only one-third of one percent of the lawyers of each state. It is, indeed, an honor to be elected.

I have found that being a Fellow is worthwhile. I believe that my contribution is put to good use by the Foundation and that the work of the Foundation is a valuable service to the bar and to the public. I have enjoyed the Annual Meetings of The Fellows, which are held at the same time as the Midyear Meeting of the American Bar Association. I also intend to solicit your views, from time to time, regarding the research undertaken by the Foundation so that your membership will be as meaningful as possible.

If you have any questions about The Fellows or the Foundation, please give me a call. With kindest personal regards and looking forward to seeing you soon, I remain,

Sincerely,

Robert L. Geltzer
