Dear Farmer/Former State Senator Nancy Lorraine Hoffmann

Our nonpartisan, nonprofit citizens' organization, Center for Judicial Accountability, Inc. (CJA), thanks you for your civic valor and courageous efforts to reform a dysfunctional and corrupt state government.

We would like to build on your powerful work -- and the Governor's release of the state budget for fiscal year 2014-2015 and this year's statewide and legislative elections are important opportunities for doing so.

Our website, www.judgewatch.org, posts our own hard work pertaining to the state budget and upcoming elections -- accessible via prominently-featured hyperlinks. Among the documentary evidence underlying this work are the hearings, meetings, and reports of the 2009 Temporary Senate Committee on Rules and Administration Reform -- before which you testified on February 6, 2009, as its first witness, at its first hearing, in Syracuse. For your convenience, here's the direct link to our webpage posting the video & transcript of that hearing: <http://www.judgewatch.org/web-pages/searching-nys/2009-senate-rules-reform-committee/2009-senate-temp-rules-reform-committee.htm> .

I would greatly appreciate if you would call me as soon as you can.

Most respectfully,

Elena Sassower, Director
