

NEW YORK STATE UNIFIED COURT SYSTEM

INTERNAL CONTROL REPORT

APRIL 1, 2013 THROUGH MARCH 31, 2014

INDEPENDENT ACCOUNTANTS' REPORT

The Chief Administrative Judge of the
New York State Unified Court System:

We have examined management's assertion included in its representation letter dated October 20, 2014 that the New York State Unified Court System's internal controls maintained during the period April 1, 2013 through March 31, 2014, are adequate to meet the criteria for maintaining internal control as established in the "New York State Governmental Accountability, Audit and Internal Control Act." The New York State Unified Court System's management is responsible for maintaining internal controls. Our responsibility is to express an opinion on whether internal control is adequate to meet such criteria based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and Government Auditing Standards, issued by the Comptroller General of the United States and, accordingly, included obtaining an understanding of internal control over accounting and administrative operations, testing, and examining the design and operating effectiveness of the internal controls, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination did not constitute an audit of any financial statement prepared by the New York State Unified Court System, nor did it constitute an economy and efficiency or program audit described by the Government Auditing Standards.

Because of inherent limitations in any internal control, misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluation of the internal control over administrative operations to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

We understand that the New York State Unified Court System considers the controls referred to in the first paragraph of this report adequate to meet the criteria for maintaining internal control as established by the "New York State Governmental Accountability, Audit and Internal Control Act." In our opinion, based on this understanding and on our examination, the New York State Unified Court System's internal controls maintained during the period April 1, 2013 through March 31, 2014, are adequate, in all material respects to meet the criteria established by the "New York State Governmental Accountability, Audit and Internal Control Act," based upon such criteria.

This report is intended for the information of the New York State Unified Court System and should not be used for any other purpose. However, this report is a matter of public record and its distribution is not limited.
