**Subject:** Achieving Clean, Honest Government -- & Candidates, Backed by the NYS Reform Party, to Get us There!

**TO: Frank Morano/Secretary – New York State Reform Party**

Following up my phone message for you on Friday morning – and our very brief phone conversation this morning, when I called you again – and you asked me to e-mail you, as you were going on air.

it is urgent that I speak with you, as soon as possible, about problems with New York State Reform Party endorsements, both procedurally and substantively – and the spectacular opportunity these present for the New York State Reform Party, under Curtis Sliwa's straight-shooting leadership, to rise above the other political parties and showcase why the People of New York State should be building the party by becoming Reform Party members – and candidates.

Thank you.
