**We Persist** is a grassroots organization working to promote and protect democratic core values. Founded by a group of women from Rye and Rye Brook after the Women's March this past January, We Persist seeks to bring attention to important political issues both locally and nationally through action committees that focus on specific issues.

Tonight's panel is brought to you by the **First Amendment/Free Press Action Committee**. Such events, while free to the public, are not free to produce. If you are interested in getting involved:
