Subject: Safeguarding Westchester County Tax Dollars from Larcenous D.A. Salary Increases that are the Result of the Legislature's REFUSAL to Discharge its Oversight Responsibilities

TO: Matt Covucci/Chief of Staff to Assemblyman Kevin Byrne

Following up our phone conversation, for which I thank you, here's the link to two of the webpages I showed and discussed with you: "The Larcenous D.A. Salary Increases, the Westchester County Budget -- & the Westchester County Board of Legislators": <http://www.judgewatch.org/web-pages/elections/2017/post-election-latimer.htm> – and the background webpage, "CJA's August 10, 2017 OPEN LETTER: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

A letter to ALL state Senate and Assembly members representing Westchester County will be forthcoming – so that they can belatedly discharge their oversight responsibilities over commission reports that are statutorily-violative, fraudulent, and unconstitutional – and for which they have had NO DEFENSE in the citizen-taxpayer actions to which they were and are defendants.

Thank you.
