

Last December, you were appointed Chair of one of the Assembly's committees, the Assembly Committee on Oversight & Investigation, please tell us when if ever that Committee or any other committee of the Assembly or Senate conducted any investigation or oversight as to how the Attorney General, New York's highest law enforcement officer, defends lawsuits against the State, its public officers & agencies, when they are sued for corruption and other abuses.

What were the results of your investigation if any, and in view of the importance of public trust in the integrity of government.

And can we count on you ~~for~~ ^{to} ~~conduct~~ such investigation NOW?
