There is a leadership vacuum in the state party. I am the Niagara county chair and am willing to work with people who know what they're doing.

In view of the serious and substantial content of my below April 20th, April 23rd, and April 25th e-mails concerning the future of the Libertarian Party's status as a ballot-recognized NYS third party and its 2020 candidates – to which I have received no response from Chair Tony D'Orazio or from 1st Vice Chair Tucker Coburn and none from Chautauqua County Chair Andrew Kolstee, other than as indicated below – I believe the responsible thing for me to do is to send it to each of you, directly.

I ~~would~~ appreciate hearing from you, including individually. I am available to assist you to the fullest, as likewise Libertarian Party candidates worthy of your endorsements and the Libertarian Party line.

Dear Charlie –

Thank you for your swift response, the first I've received, and for your candid diagnosis of the problem, with which I agree. The lack of competent leadership is, alas, a problem of NY's other third parties as well.

Please feel free to call me, at your convenience, so that I might answer any questions you have about the content of my e-mails and contribute to the success of the Libertarian Party and its candidates, including those in Niagara County. Also, as the ONLY e-mail address I have for James Ostrowski – from 8 years ago – has bounced back – can you forward my e-mail to him?

Again, thank you. I look forward to working together.

Dear Jim,

Thank you for your initiative. Especially as Gary is "a lawyer very active with the LP party", he should be part of the NY Libertarian Party's "dream team" of lawyers evaluating my April 20th e-mail to NY's third parties, with its "GOOD NEWS" about how easy it is to challenge, and win a lawsuit, throwing out Part ZZZ of Budget Bill #S.7508-B/A.9508-B as unconstitutional.

At your suggestion, I will forward Gary my today's e-mail to which you are responding.

Here's to success!
