Subject: **Kindly call me -- Mamdani**

[Dear Mr. Cohen,](#)

I am a Jew, Zionist, lived in Israel for four years, and worked for 10 months at the Israel Mission to the U.N. under Benjamin Netanyahu, who I greatly respect.

I am, of course, a proud purchaser of Israel Bonds, as has been my family.

Would you be kind enough to call me. I have important information to share with Israel Bonds about Mamdani.

Thank you.
