Dear Sir:

1. On March 31, 1986, I filed a disciplinary complaint against the above, which was neither acknowledged or processed.

On January 24, 1994, I filed another disciplinary complaint against the above, as Associate Justice William C. Thompson is aware, which as of this date has not been acknowledged or processed.

I would appreciate your efforts in having such disciplinary complaint acknowledge and processed.

2. I also enclose a self-addressed stamped envelope, and request that a list of the present members of the Disciplinary Committee be mailed to me.

Most Respectfully,

GEORGE SASSOWER
