Re: Eric T. Schneiderman #1890037

Sirs:

This professional disciplinary complaint is against *Eric T. Schneiderman*, Esq., who is presently the *New York State Attorney General* ["NYSAG"], whose principal office is in Albany, NY.

Count I

"Within one year after qualifying, the receiver shall apply to the court for a final settlement of his accounts and for an order for distribution, or, upon notice to the attorney-general, for an extension of time, setting forth the reasons therefor. If the receiver has not so applied for a settlement of his accounts or for such extension of time, the attorney-general or any creditor or shareholder or may apply for an order that the receiver show cause why an accounting and distribution should not be had, and after the expiration of eighteen months from the time the receiver qualified, it shall be the duty of the attorney-general to apply for such an order on notice to the receiver. (NY Bus. Corp Law §1216[a]) [emphasis supplied]"

1. As a matter of ministerial compulsion, permitting no discretion whatsoever, after the expiration of eighteen (18) months, "it shall be the duty" of the NYSAG to compel a court-appointed to "account & distribute" (NY Bus. Corp. Law §1216[a]).

*Lee Feltman*, Esq., was appointed the court-appointed receiver for *Puccini Clothes, Ltd.*, on February 1, 1982, he promptly qualified, but has *never* rendered an "accounting" for his judicial trust and the NYSAG has *never* made an application to compel him to "account & distribute".

A NY Penal Law §195 ("Official Misconduct") information or indictment would result in a "slam dunk" conviction of NYSAG *Eric T. Schneiderman* and that of his predecessors, commencing with NYSAG *Robert Abrams*.

2. Independent of the penal consequences, an attorney guilty of "official misconduct", whether charged or not, *must* be professionally sanctioned.

Count II

"*Quis Custodiet Ipsos Custodes?*" [Who Guards the Guardian?]"

1. Since even the most powerful corporations & their influential attorneys were helpless when confronted by the judges of *William Marcy [Boss] Tweed*", the Grand Sachem of Tammany Hall consequently, after his 1878 incarceration and death, the NY Legislature made the NYSAG the statutory fiduciary for all New York involuntarily dissolved corporations, such as *Puccini Clothes, Ltd.*, to protect them, their stockholders & creditors from the insatiable monetary desires of some judges and their "cronies".

Since the NYSAG was made the statutory fiduciary, during the intervening years, he was given additional discretionary powers where court-appointed receivers were involved, and he presently has almost unlimited discretionary powers (NY Bus. Corp. Law §1214).

However, the NY State Legislature *never* addressed the Roman conundrum "*Quis Custodiet Ipsos Custodes?*" [Who Guards the Guardian?]"

2. Since *Puccini Clothes, Ltd.*, on June 4, 1980, more than thirty (30) years ago, in any matter "revolving around" "*The Citibank Bribes for Total Immunity Criminal Enterprise*" ["*The Enterprise*"], the NYSAG, *never* exercised any of its discretionary powers on behalf of his judicial trust

or those having a legitimate interests in its interests and never acted contrary to the interests of *Citibank, N.A.*, its entourage, or its cadre of corrupt judges!

3. Since *Eric T. Schneiderman* became NYSAG he has always, under every circumstance, comported himself as desired by "*The Enterprise*", financially & otherwise, although invariably adverse to the legitimate interests of the State of New York.

Even if the NYSAG had the "power" to "betray" his client, the State of New York, he did not have the "power" to "betray" its financial interests, as he was, because "exclusive" power over its purse, subject to federal law, is with the New York Legislature!

4. The "*betrayal*" of client or trust, as has been the conduct of the NYSAG is the "*Ultimate Legal & Ethical Abomination*" and compels "*disbarment*"!

Absent articulated written justification, *Eric T. Schneiderman*, Esq., the highest law official in the State of New York of New York should be "disbarred"!
