Re: Judge Joseph W. Bellacosa

Dear Mr. Cantwell,

1a. Some of my material of judicial corruption, under the stewardship of Chief Administrative Judge Joseph W. Bellacosa, is being sent out to every newspaper, Bar Association, TV and radio station located in the State of New York, in addition to federal authorities, Schools of Law and Journalism, civic associations, and others.

b. I charge Judge Bellacosa with base criminal conduct!

2. On January 27, 1987, the date of the proposed confirmation hearings, it will be six (6) years, seven (7) months, and twenty-three (23) since PUCCINI CLOTHES, LTD. ["Puccini"], was involuntary dissolved.

a. Bus. Corp. Law §1216 provides that the Attorney General is supposed to move, as a mandatory "duty", to compel a final accounting, if one is not rendered within eighteen (18) months!

b. The Bellacosa Uniform Rules mandates the filing of "an accounting at least once each year" (202.52[e]).

c. Ask Judge Bellacosa to produce a copy of such accounting! In almost seven (7) years not one accounting has been filed, according to the County Clerk's records!

Jan. 18, 1987

3a. The statutory watchdog on behalf of the Attorney General in the New York City area, is Senior Attorney DAVID S. COOK, Esq., in his essentially one-man unit.

b. Mr. Cook's duties are both mandatory and discretionary (e.g. Bus. Corp. Law, §§1214, 1216).

c. All information concerning judicial corruption regarding involuntary dissolved corporations, including my own information, was and is channeled to Mr. Cook, which information is supposedly constitutionally protected (U.S. Constitution, Amendment 1; California Motor v. Trucking Unlimited, 404 U.S. 508, 513; N.Y.S. Constitution, Article 1 §9).

d. Of the many Assistant Attorney Generals available, when it came to defending the "robed criminals" who were intimately involved in the larceny of Puccini's trust assets at nisi prius, to wit., Administrative Judge XAVIER C. RICCOBONO, Mr. Justice IRA GAMMERMAN, Referee DONALD DIAMOND, Mr. Justice ALVIN F. KLEIN, and Mr. Justice DAVID B. SAXE, it was Mr. Cook, who was dragooned to defend them, while he was simultaneously supposedly serving as Puccini's statutory watchdog!

e. Mr. Cook was also dragooned to represent Judge Bellacosa as well!

f. Consequently, in this dual representation, Mr. Cook refuses to demand an accounting because it will reveal that his judicial clients are "corrupt"!

g. Dragooning Mr. Cook to represent Judge Bellacosa and his judicial thrall, while simultaneously representing Puccini, is simply a product of depraved and diseased minds!

4a. Obviously, with my confidential information concerning judicial corruption in the possession of Mr. Cook, I am understandably and repeatedly convicted, sentenced, and incarcerated, without benefit of a trial, although as a matter of constitutional ministerial compulsion, absent a plea of guilty, such action is beyond the power of any American Judge or Court!

b. My last incarceration was declared unconstitutional by a federal court after I had substantially served my full period of incarceration (NY Law Journal, 12/9/86, p. 1).

Jan. 18, 1987

5a. Based upon such "sham", "unconstitutional", and "outrageous" convictions, the patrons of the "criminals with law degrees" began to peddle "indulgences", which of course, neither I nor SAM POLUR, Esq., would purchase.

b. Our client, HYMAN RAFFE, a man over 70 was compelled to purchase "indulgences", and was and will not be incarcerated as long as he cooperates with the "criminals with law degrees".

c. As Judge Bellacosa knows, a great deal of such unlawful bludgeoning of Mr. Raffe, takes place in the "non-public courtroom" of Referee DONALD DIAMOND.

d. Annexed is my photograph as taken and published in Newsday on November 2, 1986, revealing its non-public character. Specifically, I and everyone else who is purportedly associated with me, or who objects to the corrupt activities that take place therein, are excluded therefrom.

e. "Star Chamber" courtrooms were and are apparently permissible under Judge Joseph W. Bellacosa, clear constitutional case and statutory law to the contrary (e.g. Judiciary Law §4), notwithstanding.

f. Thus hundreds of thousands of dollars were extracted from my client, Mr. Raffe, as the price he had to pay in order not to be jailed or suffer any further penalties from Referee DONALD DIAMOND.

g. Judge Bellacosa will see to it that such monies are returned to Mr. Raffe before January 27, 1987, or explain to the media and authorities the failure of same!

This out-and-out criminal extortion, aided, abetted, and facilitated by Judge Bellacosa will not go unrevealed!

h. To repeat, I expect to see an accounting on or before January 27, 1987, and the return, or an escrow holding, of those monies paid by Mr. Raffe, with interest!

6a. Enclosed is copy of the first part of "Anatomy of Judicial Corruption" and "Would you like to win a Pulitzer Prize ...".

b. Make a few telephone calls Mr. Cantwell, and be ready to regurgitate!

Jan. 18, 1987

7. I will be there on January 27, 1987, with documents, ready to testify under oath.

Respectfully,

GEORGE SASSOWER

DO YOU WANT TO WIN A PULITZER PRIZE, AN EMMY, OR PEABODY AWARD?

1a. A few telephone calls will reveal that the New York judicial system is simply "Unfit for Human Litigation", and may win you an award of high esteem!

b. The judicial system is no more fit to be the custodian of your monies, or anything else, than Richard III is fit to be the custodian of your children!

c. "[T]hieves for their robbery have authority, when judges steal themselves" (Shakespeare's Measure for Measure, 2:02, 175).

2a. PUCCINI CLOTHES, LTD. ["Puccini"] was involuntarily dissolved on June 4, 1980 -- more than 6 years, 7 months ago -- its assets and affairs becoming custodia legis.

b. Notwithstanding its dissolved status, it still remains a "person" within the meaning of the XIV Amendment to the U.S. Constitution, entitled to "due process", "equal protection", and other fundamental rights.

c. Bus. Corp. Law §1216 provides, in part, that if the receiver does not render a final accounting within 18 months, the Attorney General, as a mandated "duty", must make application to the Court for such final accounting.

d. The BELLACOSA Court Uniform Rules (202.52), provides that a receiver must account "at least once a year".

3a. Puccini's judicial trust assets became the subject of massive larceny and plundering by, inter alia, the "friends" of the judiciary, and others. That much is crystal clear.

b. Unquestionably any true accounting will reveal massive larceny of judicial trust assets, corruption, extortion, and other criminal conduct by members of, and those associated with, the judicial system.

c. Puccini is a constitutional "person", not a "judicial fortune cookie!"

d. President Richard M. Nixon was disbarred by the judiciary for "obstructing justice" (Matter of Nixon, 53 A.D.2d 178, 385 N.Y.S.2d 305 [1st Dept.]), based on a scenario essentially no different from that now being practiced by the same judiciary.

OVER PLEASE

4a. Telephone Chief Administrator JOSEPH W. BELLACOSA (212-587-2004), Puccini's ultimate trustee incarnate, or Presiding Justice FRANCIS T. MURPHY (212-340-0440), and ask why no accounting has been filed after almost 80 months!

b. Telephone Attorney General ROBERT ABRAMS or Senior Attorney DAVID S. COOK, Esq. (212-341-2658), and find out why they have not obeyed their mandated "duty" and made application for such final accounting? Indeed why they generally oppose same, when such application is made by others!

c. From thereon it is all downhill, as you will clearly recognize that the judicial system in this matter represents "the rankest compound of villainous smell that ever offended nostril" (Shakespeare's Falstaff, in Merry Wives of Windsor, III:v) .

5a. Every American jurist knows that absent a plea of guilty, he does not have the power to convict, sentence, and incarcerate anyone for non-summary criminal contempt, without benefit of a trial.

b. Nevertheless, I have been, within a one year period, been convicted, sentenced, and incarcerated three (3) times without benefit of a trial. On this most recent incarceration I was released when such conviction was held to be unconstitutional, after I had served almost my entire term (NY Law Journal, 12/9/86)!

c. I, the accused, then moved for a trial, which Mr. Justice IRA GAMMERMAN (212-374-1715) stayed because he knows that any fundamentally fair trial, must reveal, inter alia, his own, as well as the corruption of Administrative Judge, XAVIER C. RICCOBONO (212-374-8576) and Referee DONALD DIAMOND (212-374-8321), "the trio of judicial fixers"!

6a. Mr. Justice ALVIN F. KLEIN (212-374-6298) convicted, sentenced, and incarcerated SAM POLUR, Esq., without a trial, based upon an uncorroborated and false accusatory affidavit, and thereafter refused to release Mr. Polur, even after it was undenied that the accusation was false so that his criminal patrons, "the criminals with law degrees", KREINDLER & RELKIN, P.C. (212-279-5100) and FELTMAN, KARESH, MAJOR, & FARBMAN, Esqs. (212-371-8630) could sell "judicial indulgences" to HYMAN RAFFE for several hundred of thousands of dollars.

More than 450 years ago, similar sales, for less money, were being made by Friar Johann Tentzel, and led directly to the reformation movement by Martin Luther.

b. Telephone Mr. Raffe (718-444-3400) and find out how much he paid to the Kreindler & Feltman firms, so that he would not be incarcerated under the unconstitutional Klein conviction, the incarcerated recommendations of Referee DONALD DIAMOND, and so that he no longer would be subject to DIAMOND's fines and harassment.

c. Inquire a little further from Mr. Raffe and others, and you will find that the criminal extortion and blackmail physically takes place right in the Riccobono courthouse!

7a. Ask Senior Associate Justice THEODORE R. KUPFERMAN (212-340-0447), under what authority does Referee DONALD DIAMOND direct the Sheriff of Westchester County to "break into" my residence, "seize all word processing equipment and soft ware", and "inventory" my possessions!

Referee DONALD DIAMOND issues his ukases from a "non-public courtroom", from a courthouse that refused to find Peter Zenger guilty, even before the adoption of the Constitution of the United States.

b. Ask Associate Justice RICHARD W. WALLACH (212-340-3400) what physically happened to the motion submitted to His Honor to compel obedience to the mandatory provisions of 22 NYCRR §660.24[f], which had would have prevented much of this criminal conduct.

c. Ask Associate Justice ERNST H. ROSENBERGER (21-340-0461) or Associate Justice BENTLEY KASSAL (212-340-0400), what, if anything, is the difference between Hitler's suspension of the Writ of Habeas Corpus following the Reichstag fire, and their effective suspension of the Writ applied for on behalf of SAM POLUR, Esq. (112 A.D.2d 119, 492 N.Y.S.2d [1st Dept.]), who as aforestated, was convicted, sentenced, and incarcerated without benefit of a trial, based upon an affidavit which is undeniably false and perjurious!

8a. Almost every relevant question you ask should bring forth an answer which will reveal that the judicial system is simply a "cesspool" of corruption in the PUCCINI matter.

b. In prior times, no one suggested that District Attorney Thomas E. Dewey be incarcerated for revealing the bribes being taken by Chief Judge Martin T. Manton of the Second Circuit Court of Appeals!

9a. Telephone Judge MARTIN H. RETTINGER (212-374-3276), and find out why, with many pages of accountants in the Manhattan Telephone Yellow Pages, that to investigate the allegations of larceny of judicial trust assets engineered by KREINDLER & RELKIN, P.C., with participation by NACHAMIE, KIRSCHNER, SPIZZ, LEVINE & GOLDBERG, P.C., why His Honor chose the firm of RASHBA & POKART, as investigatory accountants!

OVER PLEASE

b. RASHBA & POKART were the accountants for the Kreindler firm, and the Nachamie firm had unlawfully taken \$10,000 from Puccini's trust assets, "laundered" such monies, and gave \$6,200 to the Rashba firm in payment of their invoice to the Kreindler firm, keeping for itself \$3,888 as a "laundering fee"!

c. Even with such obviously void appointment, the RASHBA firm could not conceal (as intended) the massive larceny that took place!

10a. Ask Chief Administrative Judge JOSEPH W. BELLACOSA, the prospective Associate Justice of the Court of Appeals, what he knows of the aforementioned, and to show you the documents that he has in his possession for more than one (1) year on the subject.

You will irresistibly conclude that Judge BELLACOSA is also criminally aiding, abetting, and facilitating larceny of judicial trust assets, official and judicial corruption, criminal extortion and blackmail!

b. Telephone District Attorney ROBERT M. MORGANTHAU (212-553-9000), and find out why he, unlike Mr. Dewey, does not prosecute "black robe" crimes.

11a. Ask State Senator RONALD P. STRAFFORD, Chairman of the Judiciary Committee to fully inquire of JOSEPH W. BELLACOSA on this subject at his forthcoming confirmation hearings.

b. The New York Times editorialized the business day following the conviction of Chief Judge Martin T. Manton as follows:

"Nothing could strike a more deadly blow at the foundations of our democracy than the evidence, or the mere suspicion, that ... any litigant has an 'inside track' that all men do not come into court on the basis of equality." (Monday, June 5, 1939, p. 16).

c. Nothing has essentially changed in the past almost 50 years!

AN ANATOMY OF JUDICIAL CORRUPTION

HANG THE BASTARD

1a. Including and ever since 1350, when Chief Justice William de Thorp of the Kings Bench was convicted of bribery and sentenced to be hung, no Anglo-American jurist has so ignominiously betrayed his oath of judicial office as Judge XAVIER C. RICCOBONO, Administrative Judge of the Supreme Court, New York County -- and he, without abatement, continues to do so!

b. In modern, less sanguine times, corrupt judges are no longer hung, instead their innocent accusers, giving obedience to their professional obligations, are unconstitutionally incarcerated, without benefit of trial, at least in the First Judicial Department of N.Y.!

2. Functionally, Riccobono never served in an adjudicatory capacity in the litigation involving PUCCINI CLOTHES, LTD. ["Puccini"], but instead he, Riccobono, has had his sycophants, robed and unrobed, implement his depraved criminal adventures, although these adherents were and are oath bound to independent judgment, and to "blow the whistle" (Canon 3B3)!

3a. Puccini, was involuntarily dissolved on June 4, 1980, its assets and affairs becoming custodia legis.

b. Notwithstanding its dissolved status, it remained a constitutional "person" within the meaning of the XIV Amendment of the U.S. Constitution, and laws of lesser judicial value.

c. Riccobono and his court had and have a trust relationship to Puccini's trust assets and affairs.

d. Since Puccini was and is "helpless", as well, Riccobono and his court had and still have the non-delegable obligation to insure that it received and receives proper legal protection.

4a. The statutory scheme was and is for the appointment of a receiver by the court, acting under sufficient bond, payable "to the people" (Bus. Corp. Law §1204[a][2]), who is supposed to protect the judicial trust from third parties, on behalf of the court (Bus. Corp. Law §1202 [a][4]), and those interested in its assets.

b. It is the duty of the Attorney General, by mandatory and discretionary duties and powers, to protect the judicial trust from, inter alia, the judiciary and its appointees, on behalf of those interested in the assets and affairs of the dissolved corporation (Bus. Corp. Law §§1214, 1216)!

OVER PLEASE

5a. There is no question that for a period of about nineteen (19) months after June 4, 1980, when a bond was neither executed nor filed, Puccini's judicial trust assets, under the larcenous engineering of KREINDLER & RELKIN, P.C. ["K&R"], were extensively and unlawfully raped and ravished.

b. To conceal such larceny of Puccini's judicial trust assets, K&R, and its clients, CITIBANK, N.A. ["Citibank"] and JEROME H. BARR, Esq. ["Barr"] inundated the court with perjurious statements and affidavits which vehemently denied such criminal activities had or were taking place.

c. The larceny, perjury, and corruption was aided, abetted, and facilitated by ARUTT, NACHAMIE, BENJAMIN, LIPKIN & KIRSCHNER, P.C. ["ANBL&K"], now known as NACHAMIE, KIRSCHNER, LEVINE, SPIZZ & GOLDBERG, P.C. ["NKLS&G"], who took positions contrary to the interests of its clients, in return for "pay-offs" from Puccini judicial trust assets, under the aforementioned larcenous arrangement with K&R and its clients.

c. The larceny, perjury, and corruption was also aided and abetted by LEE FELTMAN, Esq. ["Feltman"], the court-appointed receiver, and his law firm, FELTMAN, KARESH & MAJOR, Esqs. ["FK&M"], now FELTMAN, KARESH, MAJOR & FARBMAN, Esqs. ["FKM&F"], who invariably and consistently have taken positions contrary to the interests of their judicial trust, in co-conspiracy with K&R, its clients, and NKLS&G.

6a. On November 7, 1983, three and one-half (3 1/2) years after Puccini was involuntarily dissolved, the first "hard evidence" of the larceny surfaced, and between that date and the end of March 1984, almost five (5) months later, the massive extent thereof was disclosed.

b. At the end of March 1984, Riccobono, after ex parte solicitation by FK&M, agreed to become a very active participant to this criminal scheme.

7a. Riccobono's assignment was (a) to prevent restitution to the victims, including to his and his court's trust; (b) to make further unwarranted and unlawful inroads into his and his court's trust; (c) to corrupt other jurists in his and other courts to cooperate in this judicial misadventure; and (d) to corrupt the Attorney General and his office, so that they disobeyed their statutory and fiduciary obligations.

b. Riccobono was, at a minimum, criminally aiding, abetting, and facilitating "criminals" steal from his and his court's helpless judicial trust!

c. Consequently, by reason of the aforementioned and other misconduct, Riccobono, in the historical setting, has earned for himself the dishonored title of "Corruption Incarnate", and clearly deserves to be "hung"!

STEAL, PERJURE, PLUNDER AND EXTORT WITH IMPUNITY

1a. For details, communicate with KREINDLER & RELKIN, Esqs. of 350 Fifth Avenue, New York, New York, 10118, Telephone No. (212) 279-5100; or, FELTMAN, KARESH, MAJOR & FARBMAN, Esqs., of 55 East 52nd Street, New York, New York, 10055, Telephone No. (212) 371-8630.

b. If you desire to avoid the middlemen, you can ex parte communicate directly with Administrative Judge, XAVIER C. RICCOBONO, at 60 Center Street, New York, New York, 10007, (212) 374-8576.

You can recognize 60 Center Street by its deceptively inscribed facade, which reads: "The True Administration Of Justice Is The Firmest Pillar of Good Government"!

c. No matter how base your conduct or intended conduct, your problems are over -- solved!

If you have stolen trust funds, the RICCOBONO entourage will reward you with more, much more!

d. Your adversaries problems have now just begun!

Soon your adversaries will be petitioning Richard III for asylum for themselves and even for their children!

2a. Initially, RICCOBONO manipulates the "Bellacosa judicial computer" so that his lackey, Mr. Justice IRA GAMMERMAN, is assigned.

b. GAMMERMAN operates in tandem with Referee DONALD ["Khadaffy"] DIAMOND, RICCOBONO's other lackey.

c. Whatever instructions RICCOBONO gives GAMMERMAN and DIAMOND, they improve upon!

3a. Before your adversaries know it they will be in jail, having been convicted, sentenced, and incarcerated, without a trial, and repeatedly so, with the Writ of Habeas Corpus effectively suspended!

b. RICCOBONO, GAMMERMAN, and DIAMOND, "the trio of judicial fixers", as part of their corrupt operation, also suspend the Constitution of the United States and about every human right established by man since he appeared on this earth, six million years ago.

OVER PLEASE

c. The pre-text for such incarcerations, without trial, strain the most vivid imaginations, as future installments of "The Anatomy of Judicial Corruption" are published!

4a. If you retain the KREINDLER or FELTMAN firms, or engage RICCOBONO directly, the Sheriff will be directed to "break into" your adversaries residence, have him "seize all word processing equipment and soft ware", and their possessions "inventoried!"

b. Under the rubric of "phantom" judgments, their bank assets will be seized, and if they, as a consequence, must place their assets in their "non-interest bearing mattresses", applications will be made to DIAMOND to have the Sheriff "break in" and "tear open" their mattresses.

5a. If your adversaries do not ask DIAMOND's permission to make a motion, he report that they are in criminal contempt, recommend that they be incarcerated and fined.

b. If they do ask his permission, he will deny it and fine your adversaries about \$200,000!

6. If your adversaries should remind Referee DIAMOND that civilized man has recognized that one need not incriminate himself, they will find themselves evicted not only from DIAMOND's "non-public courtroom", but from the entire building!

7a. If by happenstance a jurist such as Mr. Justice BRUCE McM WRIGHT should deny your CPLR 3211 motion, do not worry. All you have to do is go, ex parte, to Referee DIAMOND and he will ex parte dismiss the action, and again, ex parte, impose a \$25,000 fine on your adversary.

b. If your adversary should move to impose sanctions on you for your failure to attend an examination before trial, Referee DIAMOND will dragoon such motion to his own bailiwick, and not only deny the motion, but impose fines of \$37,500!

8. The only redeeming feature of Referee DONALD DIAMOND is that Mr. Justice IRA GAMMERMAN is worse!

9a. You do not have to worry about MICHAEL GENTILE, Esq., and his Grievance Committee thrall, Mr. Justice GAMMERMAN will enjoin your adversaries from communicating with them.

b. Nor is there any special problem created by the fact that your adversaries may have offices in the Second Judicial Department, because as the KREINDLER & FELTMAN firms boast, "Uncle Milt cooperates" with their First Department "whores"!

10a. In short, retain KREINDLER, FELTMAN, and/or RICKY, and you will find that the late MARTY ERDMANN was right (Justices v. Erdmann, 33 N.Y.2d 559, 347 N.Y.S.2d 441)! Only the price is uncertain!
