Re: Samuel A. Alito

Honorable Sirs:

Enclosed find the documented "First Abridged Edition" of the "Criminal & Corrupt Activities of Samuel A. Alito", whose contents have never been denied or controverted by Alito or anyone else.

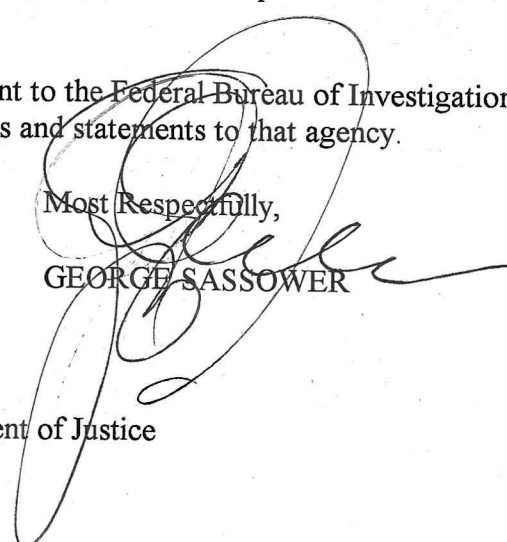

As noted therein, no authorized official in the U.S. Department of Justice or jurist has ever certified that U.S. Attorney Alito was "acting within the scope of office" in any matter "revolving around" the "Bribes for Immunity Racket" (28 U.S.C. §2679[d]), which included defrauding his client, the United States!

Since the federal expenditures incurred were unauthorized, he "cooked" the federal books to conceal the expenditures made, as the annexed exhibit confirms.

I urge that Your Honors not vote on the confirmation of Alito unless he specifically responds to the charges made therein, and the same are investigated by the Federal Bureau of Investigation, the Public Integrity Section of the Department of Justice and/or such agencies that you select.

In forwarding this document to the Federal Bureau of Investigation, I am aware of the criminal liabilities in filing false charges and statements to that agency.

Most Respectfully,

GEORGE SASSOWER
