Re: ***E. Michael Kavanagh***
NY Supreme Court Justice - Dutchess County

Honorable Sir:

1. I draw Your Honor's attention to the criminal activities of ***E. Michael Kavanagh***, the "***Ultimate Judicial Megalomaniac***", probably the most "***Dangerous-Corrupt Jurist***" in the United States, warranting, if not mandating, a criminal prosecution, particularly since substantial federal interests were and are being adversely affected.

By his own, without notice or due process, transparently invalid Order (see Exhibit "A"), NY Supreme Court Justice ***E. Michael Kavanagh***, has effectively seized control of the entire judicial, trial, appellate and professional disciplinary, system of the State of New York (see, Part "B", *infra*),

2. The "***bribes***" involved exceed \$10,000,000, of which more than \$3,500,000, are from sources where public accountings are mandatory, with some of the cancelled checks, evidencing such "***bribery***", in the possession of the ***Federal Bureau of Investigation***, who confirmed the allegations and verified the evidence, before it made its report to U.S. Attorney ***Rudolph W. Giuliani***.

Of the more than \$3,500,000 in "***bribes***" where public accountings are mandatory, more than \$2,500,000 in "***bribes***" are Federal and NY State monies (see, Part "C", *infra*).

Part "A":

1. Before being elected a NY Supreme Court Justice, ***E. Michael Kavanagh*** was an Assistant District Attorney for seven (7) years, so that there is no question that he actually knew of the absence of prosecutorial and judicial power. which he exercised.

2. From, *inter alia*, my *undenied* and *uncontroverted* complaint of October 27, 2004 to the ***Commission on Judicial Conduct*** it knew that both ***E. Michael Kavanagh*** and NY Administrator ***Francis A. Nicolai***, of Westchester County, were intentionally proceeding "out of orbit", but it did nothing, which only served to embolden them to proceed further in an egregious criminal racketeering adventure, which cannot succeed, unless I succumb!

3. Despite ***Bloom v. Illinois*** (391 U.S. 194 [1968]), which brought non-federal, non-summary criminal contempt under the protective umbrella of the ***Constitution of the United States***, and ***Young v. U.S. ex rel Vuitton et Fil, S.A.*** (481 U.S. 787 [1987]), ***E. Michael Kavanagh*** appointed the attorney for my civil adversaries, as the prosecutor, and who, independently of her corrupt clients, was personally engaged in a criminal activities! Obviously, ***Brady v. Maryland*** (373 U.S. 83 [1963]) and similar prosecutorial obligations were not obeyed!

In order to retain criminal jurisdiction in a civil action, although a new and independent criminal proceeding was required (***Gompers v. Bucks Stove***, 221 U.S. 418, 444-445, 451 [1911]), ***E. Michael Kavanagh*** acted both as the complainant and the trial judge.

Since, as will be demonstrated, there was no contempt (Part "C", *infra*), despite a plea of, *inter alia*, "not guilty", without a trial, hearing or live testimony, still acting *both* as the complainant and trial jurist, he adjudged me to be guilty of non-summary criminal contempt, and sentenced me to a term of incarceration of three (3) months.

To prevent any application for a "stay", without a warrant of commitment or right of allocution, he *immediately* had me incarcerated.

3. My release under a Writ of Habeas Corpus, based on a proliferation of lethal infirmities, was needlessly delayed by several days, because he, **E. Michael Kavanagh**, initially assigned himself to adjudicate such a Writ of Habeas Corpus.

This "**Megalomaniac**", **E. Michael Kavanagh**, recused himself from adjudicating the Writ of Habeas Corpus only after being convinced that his co-conspirator, NY State Administrator **Francis A. Nicolai**, would *personally* name and instruct his successor!

However, the hand-picked successor to this "**Megalomaniac**" simply could not avoid granting the Writ!

Part "B":

1. After being released from incarceration by virtue of the grant of a Writ of Habeas Corpus, *sua sponte*, without notice or due process, without change, robot fashion, **E. Michael Kavanagh**, slavishly signed an Order (Exhibit "A") submitted by the attorney for my civil adversaries, which was intended to seize "control" of the entire New York State judicial system, including the professional disciplinary process!

2. This "**Megalomaniac**" Order was issued *after* the Supreme Court of United States held that those captured in Afghanistan, as enemy-combatants, had a right to "access to American courts", and could sue the President of the United States and Secretary of Defense (**Rasul v. Bush**, 542 U.S. 466, [2004]; **Hamdi v. Rumsfeld**, 542 U.S. 507 [2004]).

This "**Ultimate Judicial Megalomaniac**", signed an Order (Exhibit "A") provided that I, an American born citizen, a battle star veteran of World War II who, in 1944-45, went from Omaha Beach in Normandy, to Germany, need *his*, and *only* his, personal permission, to file *anything* in *any* New York State court, trial and appellate, or professional disciplinary tribunal.

"*Bribery*" was so obviously the motivating factor, that communication with any profession disciplinary or grievance tribunal was also enjoined (Exhibit "A").

3. In addition to "enjoining" me and those allegedly acting on my behalf, this "**Ultimate Judicial Megalomaniac**" "directed" *all* clerks in *all* NY State courts, trial and appellate, from accepting or calendaring any document tendered by me or on my behalf, which does not have his *personal* written permission.

All NY State judges, trial or appellate, are "*directed*" not to adjudicate any of my motions or applications made, without his *personal* written permission!

4. Those who learn that I have filed anything, without his *personal* written permission, are "*directed*" to report to him, so that, without a trial, hearing or oral testimony, he can, once again incarcerated!

5. To insure knowledge of the Order of this "**Ultimate Judicial Megalomaniac**", he ordered that the **New York State Attorney General** and **New York State Office of Court Administration** notify all NY State courts of his Order, which they did (Exhibit "B1" and "B2")!

6. *In haec verba*, the controlling paragraph of this “**Demented**” and “**Depraved**” Order reads (Exhibit “A”):

“ORDERED that the clerks of each court of the New York State Unified County System in each county of the State are directed not to accept for filing and calendaring any papers from George Sassower or anyone acting on his behalf or at his behest, unless such filing has affixed to the front of any filing as the cover page the written permission of Justice K Michael Kavanagh. Any papers submitted without such written permission shall be considered a nullity, and will not be considered and any filing without such written permission is to be directed to the attention of Justice E. Michael Kavanagh, to his Chambers at 255 Wall Street, Kingston, NY 12401”

7. While the NY Judiciary and the Clerks may effectively say “**Heil Kavanagh**”, I, despite the consequences, choose to respond with a December 1944 *Bastogne*-style “**Nuts**”!

Part “C”:

1. I have contractually based, constitutionally protected interests in: (I) **Puccini Clothes, Ltd.**, an involuntarily dissolved corporation, including a money judgment (Exhibit “C”); (ii) the **Estate of Eugene Paul Kelly, deceased**; (iii) **NY State** monies which were “**diverted**” to judges, officials and private pockets, (iv) and other monies!

2. Because this communication is being extensively distributed, including to non-lawyers, the following is set forth:

A. Article §10[1] of the **Constitution of the United States**, in *haec verba*, provides [emphasis supplied]:

“No State shall enter into any Treaty, Alliance, or Confederation; grant Letters of Marque and Reprisal; coin Money; emit Bills of Credit; make anything but gold and silver Coin a Lender in Payment of Debts; pass any Bill of Attainder, ex post facto Law, or Law impairing the Obligation of Contracts, or grant any Title of Nobility.”

B. The “only” legal way to “impair” contractual obligations is by a bankruptcy proceedings, where the obligor is the subject of the proceeding!

Thus, when **Texaco** desired to “impair” the money judgment of **Penzoil**, although its assets were greater than its liabilities, it filed a petition in bankruptcy (*In re: Texaco*, 73 BR 960 [1987]).

When **United, Delta** and other airlines desired to “impair” their contractual obligations to their employees, which they believed were onerous, they filed petitions in bankruptcy.

When the **Archdiocese of San Diego** desired to “impair” its obligations, contractually and otherwise, including to those who were made the subject of sexual abuse, it filed a petition in bankruptcy.

However, when **Citibank, N.A.**, the financial colossus, desires to “impair” its obligations, including to those who have contractually based, constitutionally protected, money judgments, it “**buys**”, “**bribes**” and/or “**bondage**” judges and officials, “**mind, body, & soul**” who, in turn, have “**megalomaniacal corrupt**” jurists, such as NY State Supreme Court Justice **Ira Gammerman**, NY Referee **Donald Diamond** and NY Supreme Court Justice **E. Michael Kavanagh** who, despite the lack of, *inter alia*, “subject matter jurisdiction”, will issue “**transparently invalid**” injunctions!

C. While an entity cannot be enjoined from dissipating its assets in order to preserve them for legitimate creditors (*Grupo v. Alliance*, 527 U.S. 308 [1999]; *Credit v. Rossiyskiy*, 94 N.Y.2d 541,

708 N.Y.S.2d 26, 729 N.E.2d 683 [2000]), *megalomaniac corrupt jurists*, such as NY State Supreme Court Justice *Ira Gammernan*, NY Referee *Donald Diamond* and NY State Supreme Court Justice *E. Michael Kavanagh*, will preserve them as “*bribes*” for judges and officials.

D. Associate Justice *Felix Frankfurter* in *United States v. United Mine Workers* (330 U.S. 258; 309-310 [1947]) stated:

“when a court is so obviously traveling outside its orbit as to be merely usurping judicial forms and facilities, ... [such] order ... [may] be disobeyed and treated as though it were a letter to a newspaper.”

3. The Order of Mr. Justice *E. Michael Kavanagh*, as well as those by Mr. Justice *Ira Gammernan* and Referee *Donald Diamond*, is quantum leaps more egregious than the example employed by Mr. Justice Frankfurter, but the Clerks and most judges listen to their rogue colleagues, not to Mr. Justice Frankfurter, particularly since “millions of dollars, in *bribes*”, are involved!

Part “D”:

1A. *Citibank, N.A.* and its “estate chasing” attorneys *Kreindler & Relkin, P.C.* [“K&R”] engineered the larceny of the judicial trust assets of *Puccini Clothes, Ltd.*, commencing immediately after it was involuntarily dissolved, dissipating its illicit “loot” as “*bribes*”.

In every court, state and federal, trial and appellate, a court-appointed receiver, who is an arm of the court, acting under “color of law”, *must* “publicly account” for his/her stewardship, which obligation cannot be waived, excused or enjoined, since the public is entitled to know whether or not their judges and/or appointees are “crooks”.

Without a “public accounting” and “due process” to everyone having an interest in the judicial trust assets, there cannot be a judgment or final order terminating a judicial trust proceeding, a discharge of its court-appointed receiver or his surety!

Today, more than twenty-eight (28) years after *Puccini Clothes, Ltd.* was involuntarily dissolved on June 4, 1980, there is no judgment or final order terminating the judicial trust proceeding of *Puccini Clothes, Ltd.*, a discharge of *Lee Feltman*, Esq., its court-appointed receiver or his surety, *Fidelity & Deposit Company of Maryland* [“F&D”] as its Court Docket confirms.

Nor are there any of the mandatory *NY Judiciary Law* §35-a Statements, which would reveal the dissipation of the assets of *Puccini Clothes, Ltd.* as “*bribes*”!

Obviously, *before Citibank-K&R* began to engineer the larceny of the judicial trust assets of *Puccini Clothes, Ltd.*, they “*fixed*” and/or were confident they could “*fix*”, *inter alia*, New York State Attorney General [“NYSAG”] *Robert Abrams* and Senior Assistant NYSAG *David S. Cook*, the statutory fiduciaries of *Puccini Clothes, Ltd.*, and NY State Appellate Division, Presiding Justice *Francis T. Murphy* of the First Judicial Department, so that they would *never* have to “*account*”, albeit mandatory, never have to provide “*restitution*”, although constitutionally compelled, and the attorneys involved, would not be made the subject of professional disciplinary procedures, although disbarment was and is the inexorable result for the “*impairment*” of trust assets in the “*Murphy Judicial Realm*”, and so that Court has *repeatedly* asserted.

B. Since I have contractually based, constitutionally protected rights in *Puccini Clothes, Ltd.*, including a money judgment (Exhibit “C”), I have a constitutional, common law and statutory right to demand an “*accounting*” (*Martin v. Wilkes*, 490 U.S. 755 [1989]; *Copeland v. Salomon*, 56 N.Y.2d 222, 451 N.Y.S.2d 682 [1982]; *NY Bus. Corp. Law* §1216) I must be denied “access to the courts” by the “*judicial megalomaniacs*”!

2. All the disposable assets in the *Estate of Eugene Paul Kelly, deceased*, were dissipated to satisfy the personal obligations and desires of NY Suffolk County Surrogate *Ernest L. Signorelli* and his appointee, Suffolk County Public Administrator *Anthony Mastroianni*, and the beneficiaries, including the prime beneficiaries, three (3) motherless infants of the testator's predeceased daughter, received *nothing*!

Although the *New York State Attorney General* ["NYSAG"], on behalf of the *State of New York*, is the *parens patriae* of these motherless infants, today, there: (i) is no valid final order or judgment terminating the *Estate of Eugene Paul Kelly, deceased*; (ii) no valid order discharging *Anthony Mastroianni*; the Temporary Administrator (iii) no valid order discharging *Fidelity & Deposit Company of Maryland* ["F&D"], the surety of *Anthony Mastroianni*, and (iv) none of the mandatory *NY Judiciary Law* §35-a Statements.

3. As independently investigated and reported by *United Press International* and published in, *inter alia*, the *NY Village Voice* (June 6, 1989):

"By signing three extraordinary agreements in 1985, however, [*Hyman Raffe*] agreed to foot all legal costs incurred by Feltman's firm [*Feltman, Karesh, Major & Farbmam*, Esqs.] and Citibank's lawyers, [*Kreindler & Relkin P.C.*], for defending against [*Geo.*] *Sassower*. In exchange, the court agreed to let him go free. The tab so far has come to more than \$2.5 million, paid to both the Feltman and Kreindler firms. Raffe continues to pay with checks from his *A.R. Fuels Co.* business."

As long as Raffe keeps paying, and so the written agreements reads, he will not be incarcerated. So Raffe pays, pays and pays, to these 'judicial indulgence peddlers' as was *Geo. Sassower*, Esq., and as was *Sam Polur*, Esq., if he refuses.

In Raffe's words 'they are bleeding me to death', but Raffe keeps paying because he has been convinced that 'all judges are crooks', and therefore he has no viable alternative."

At no time or place, has anyone ever denied that these "extorted" monies were the property of the *United States* and *State of New York*, since they were imposed as a result of non-summary criminal contempt proceedings, Federal and NY State (*Gompers v. Bucks Stove, supra*; 17 *C.J.S.*, *Contempt* §92, at p. 268; 21 *NY Jur 2d.*, *Contempt*, §185, at p.568-569).

At no time or place, has anyone ever denied that these agreements whereby *Hyman Raffe* made payments in the "millions of dollars" to avoid incarceration, while those who refused to pay, were incarcerated were illegal (*Town of Newton v. Rumery*, 480 U.S. 386 [1987])!

Since these "extortion" payments are "keyed" to my activities, affording me "standing" on the issue.

Thus, to avoid *restitution in favor of Hyman Raffe* and/or "these *State of New York* 'Judicial Megalomaniacs' must deny me "access to the courts"!

4. Judicial trusts, such as *Puccini Clothes, Ltd.* and the *Estate of Eugene Paul Kelly, deceased* are "persons" within the meaning of Amendment XIV of the *Constitution of the United States*, held under "color of law" within the Federal criminal and civil statutes (18 *U.S.C.* §242; 42 *U.S.C.* §1983). They are not "fortune cookies", intended to satisfy the insatiable monetary appetites of corrupt judges and officials.

Respectfully,

GEORGE SASSOWER
