Re: Attorney General *Michael J. Mukasey*
(Samuel A. Alito)

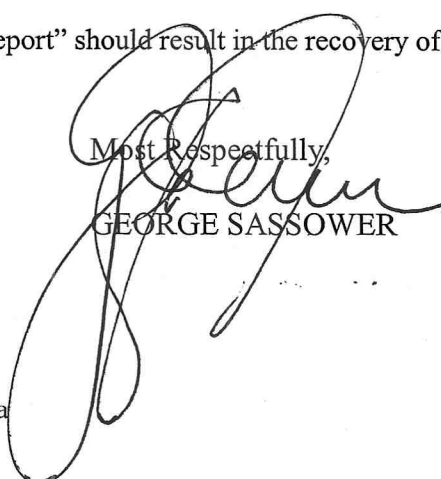

Dear Sir:

There is before Attorney General of the United States *Michael J. Mukasey*, an *undenied, uncontroverted, unopposed*, documentary supported "Demand" for compliance with 31 *U.S.C.* §1351, with respect to the *unauthorized* expenditure and receipt of monies and service, by and for *Samuel A. Alito*, during his tenure as U.S. Attorney for the District of New Jersey and for a period thereafter.

31 *U.S.C.* §1351 is mandatory, non-discretionary and ministerial in nature and requires the "head of the agency" involved to "Report Immediately" to the President, Congress and the Comptroller General.

The issuance of such "Report" should result in the recovery of substantial monies in favor of the United States.

Most Respectfully,

GEORGE SASSOWER
