Re: George Sassower/Puccini-related
litigation

Honorable Sir:

The Attorney General represents the various defendants or respondents who are judges or officials of the Courts of the State of New York that are the targets of a barrage of papers filed by Mr. Sassower in a multitude of proceedings and actions now before Your Honor. It is the Attorney General's position that said proceedings are stayed by the Order of the Honorable Mr. Justice Gammernan, Supreme Court New York County dated March 11, 1986. A copy of Justice Gammernan's Order is enclosed. The Attorney General considers the proceedings before Your Honor to be a nullity. Consequently, unless Your Honor so directs, the Attorney General respectfully declines to respond in any of these proceedings.

Sincerely yours,

David S. Cook
Senior Attorney
