Re: Peo. ex rel. Vilella & Sassower v. Warden

Dear Ms. Tacy:

As per your request of April 17, 1991, enclosed please find another copy of my 500.2 Statement.

I have received no opposing papers to my motion, returnable April 22, 1991, for summary reversal.

As the moving papers reveal these crimes were never committed, a matter which the District Attorney's Office never disputed.

Very truly yours,

GEORGE SASSOWER
