Re: Sassower v. Vergari
Index No. 16682-92

Honorable Sir:

1. Since the action pending before Hon. W. Denis Donovan was removed to the federal court, and because of that change of circumstances, my two prior petitions to the Appellate Division, both of which were unopposed, are being made returnable on January 8, 1992.

2. There was also no opposition from anyone with respect to my proposed Order, with Notice of Settlement, dated November 24, 1992, and returnable today.

Such lack of opposition speaks eloquently about the spurious nature of the cases cited by my adversaries.

Most Respectfully,

GEORGE SASSOWER
