Re: George Sassower, Esq.
51 Davis Avenue,
White Plains, N.Y. 10605

Gentlemen:

Some months ago, I said in open court that the bills and disbursements set forth by the firm of Kreindler & Relkin, P.C. of 500 Fifth Avenue, New York, New York, 10110, were false, deceitful, contrived, watered, and/or words to that effect.

Honorable Eugene H. Nickerson, United States District Judge of the Eastern District of New York, at that time stated that if I repeated those charges again, he would make complaint against me to the disciplinary authorities.

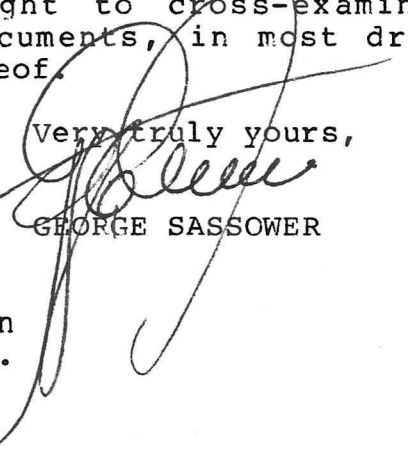

I do now repeat such charge, and intend to keep repeating same, in and out of every courtroom, because I am convinced my allegations are truthful.

Indeed, I have stated and do state that Kreindler & Relkin, P.C. engineered larceny of judicial trust funds, committed perjury, and engaged in corruption, judicial and otherwise.

I agree with Judge Nickerson, if there was no basis for such charges, I should be punished.

Therefore, on behalf of Judge Nickerson, as aforesaid, I request that you commence disciplinary proceedings against me based on the aforementioned and I will defend, with the right to cross-examine and subpoena witnesses and documents, in most dramatic fashion the correctness thereof.

Very truly yours,

GEORGE SASSOWER
