Dear Assistant Solicitor General Brodie –

Yesterday, I received, by mail, the original of your signed stipulation in lieu of certification pursuant to CPLR 5532. Thank you.

Also, yesterday – as reflected by the attached -- your office received the two copies of the appellants' brief and single copy of the three-volume reproduced record on appeal, which I had mailed on Saturday.

As the Appellate Division's Clerk's Office confirmed that a full table of contents for the three-volume record on appeal should appear in each of the volumes – which becomes quite confusing upon opening volumes 2 and 3 – I decided that a good solution would be adding a first page to the table of contents indicating where the contents of each volume can be found. Attached is a superseding table of contents for the record on appeal – which will appear in the volumes to be filed with the Court. Except for the first page – and the change in the page number for appellants' statement pursuant to CPLR 5531 – which is now page xxv, rather than xxiii – everything is identical.

As for appellants' brief, I have made two non-substantive typographical corrections in the answer to the 1<sup>st</sup> question presented and one non-substantive grammatical correction in the answer to the 4<sup>th</sup> question presented. Also, on page 38, I have removed a comma that did not belong. The attached reflects these de minimus changes. I will mail you hard copies of the superseding pages, with holes punched so that you can open the bindings of the brief to replace.
