### Details about Situation:

Citizen-taxpayer action, brought on behalf of the People of the State of New York, challenging the constitutionality and lawfulness of the legislative budget, the judiciary budget, the whole of the executive state budget -- and encompassing constitutional and legal challenges to the Legislature's closed-door party conferences and "three men in the room" budget dealmaking. It is pending in Supreme Court/Albany County -- and its posture, verifiable from the lawsuit record, is one of SUMMARY JUDGMENT for the plaintiffs.

The full lawsuit record is posted on the website of the unfunded, nonpartisan, nonprofit citizens organization, Center for Judicial Accountability, Inc. (CJA), the first plaintiff. The website is [www.judgewatch.org](http://www.judgewatch.org) -- and the lawsuit record is accessible via the prominent center link: "CJA's Citizen-Taxpayer actions to End NYS' Corrupt Budget 'Process' and Unconstitutional 'Three Men in a Room' Governance".

Attached are pertinent April 18, 2017 e-mails, illustrative of my exhaustive outreach efforts to secure scholarship, amicus and legal assistance. They -- and so many, many more, spanning years -- are also posted on CJA's website.
