Filed a short time ago in the US District Court for the Southern District of New York is the above-attached and [here-linked](#) lawsuit against The New York Times and other New York and national press for “Journalistic Fraud”, “Reckless Institutional Disregard for Truth”, “Defrauding Purchasers, Contributors & Taxpayers”, and “Conspiracy” – germane to [the lawsuit you filed](#) for President Trump on September 15<sup>th</sup> against The Times in the US District Court for Middle District of Florida.

Please bring it to President Trump’s attention – and alert him that among the constitutional officers whose corruption The Times and other press have known about, but concealed, for years, are New York Attorney General Letitia James and Manhattan District Attorney Alvin Bragg – which I have previously and repeatedly endeavored to alert him to, including by two webpage “Dear Mr. Trump” messages, on [June 4, 2021](#) and [April 3, 2023](#).

I am available to answer questions.

Thank you.
