ORDERED that this pro se motion by the plaintiff, Elena Ruth Sassower, seeking to
 disqualify this Court for bias and vacating the Court's order because the Court in a decision,
 dated September 22, 2011, granted the defendants' motion to dismiss is denied in its entirety
 as without legal merit. The alternative requested relief by pro se plaintiff to reargue this
 Court's decision dismissing her libel action against defendants pursuant to CPLR §2221 is
 similarly denied in its entirety. The requested relief seeking sanctions against the defendants'
 attorneys for their "factually and legally false advocacy" in this case is also denied.

The foregoing constitutes the decision of the Court.
