Re: *Matter of Center for Judicial Accountability*  
Mo. No. 2025-317

Dear Ms. Davis:

Respondents submit this letter in opposition to appellants' motion for reargument of this Court's order entered March 18, 2025. Appellants do not identify any fact or argument overlooked by this Court, and instead make baseless claims of bias and fraud. Appellants fail to show that the Court is divested of jurisdiction under Judiciary Law § 14, and appellants cite no authority requiring the Court to provide reasoning in a motion order or to include signatures of individual judges. Accordingly, the Court should deny the motion.

Respectfully submitted,

LETITIA JAMES
